Welcome to the Southwest Oklahoma
Amputee Program, S.O.A.P.

This introductory packet is designed to assist you in finding resources and supportive peer amputees to help you and your family in your journey as a new amputee.

We want to provide you with information, resources, and opportunities available in the Southwest Oklahoma area.

When you are ready to explore your community resources, we hope this packet will help you design a plan unique to your needs.

The Southwest Oklahoma Amputee Program S.O.A.P. meets the third Thursday of each month at 4:00 P. M. in the Jim Thorp Rehab Services Day Room. Located at Comanche County Memorial Hospital, (CCMH) 3201 West Gore BLVD., Lawton, OK 73505.

*CCMH is not associated with S.O.A.P. All meetings are open to the public and anyone interested in amputee issues are welcome.

Valet parking is available

MISSION

The mission of the Southwest Oklahoma Amputee Program, SOAP, is to encourage, motivate, and educate amputees and their caregiver team through emotional support, providing prosthetic intervention information, and sharing resources towards improving quality of life.

VISION

Losing a limb is life-changing, but not life limiting.

73501

Phone: (580) 248-7060

Counseling Services

Grief, anger and fear are just a few of the emotions dealing with life changes after an amputation. Often, a professional counselor can help with the adjustment. Asking for help is one of the first steps to emotional healing. There are several professional counselors in the Lawton area from which to choose. Conduct an Internet search to find a counselor or ask your doctor for a recommendation.

Volunteer Programs

Below is a list of nonprofit organizations to help you find resources available. This is only a partial list of volunteer organizations, but it may help you begin your search for resources.

Some of these organizations may be able to help by installing ramps and other devices to assist with making your home more accessible.

Amputee Coalition
